

Helping Hands

Dear Ken,

Thank you very much for your donation of \$2,500.00 to Helping Hands.

Your donation helps make it possible for us to care for the homeless and downtrodden ... by providing a safe and friendly environment.

Most of the people we serve are women and children in need, some coming from a very abusive and poverty stricken background. Many have lost hope for a better life.

Pictured above is Rhonda, one of the residents being assisted by Helping

Your gift helps enable us to love and care for the people we take in ... no matter their background ... and to give them the tools they need to help build a new and better life.

There are many stories of success that you and other donors have helped make possible, one of which is enclosed. Others can be found on our website.

Thank you again for your support to us and the people we serve, and may God richly bless you for your compassion.

Sincerely,

Brad Dinkins
Chairman
